ANNUAL GENERAL MEETING EXPLANATORY NOTES

Ordinary resolution – general authority to issue shares for cash

The reason for proposing ordinary resolution number 6 is that the Directors consider it prudent to have the authority to issue ordinary shares for cash in case unforeseen circumstances result in the Group becoming seriously cash constrained. At present, the Directors have no intention to use this authority, and the authority will thus only be used in the circumstances outlined above.

Special resolution – general authority to acquire (repurchase) ordinary shares

The reason for and effect of special resolution number 1 is to grant the Directors and its subsidiaries a general authority to facilitate the acquisition by the Company and/or its subsidiaries of the Company's ordinary shares, which general authority shall be valid until the earlier of the next annual general meeting of the Company or the variation or revocation of such general authority by special resolution at any subsequent general meeting of the Company, provided that this general authority shall not extend beyond 15 (fifteen) months from the date of the passing of this special resolution.

Any decision by the Directors, after considering the effect of an acquisition of up to 10% of the Company's issued ordinary shares, to use the general authority to acquire shares of the Company will be taken with regard to the prevailing market conditions and other factors and provided that, for the period of 12 (twelve) months after such acquisition, the Directors are of the opinion that:

- the Company and the Group will be able to pay their debts in the ordinary course of business;
- recognised and measured in accordance with the accounting policies used in the latest audited annual group financial statements which comply with the Companies (Guernsey) Act, 2008, the assets of the Company and the Group will exceed the liabilities of the Company and the Group;
- the share capital and reserves of the Company and the Group will be adequate for the purposes of the business of the Company and the Group; and
- the working capital of the Company and the Group will be adequate for the purposes of the business of the Company and the Group.

The JSE Listings Requirements require, in terms of paragraph 11.26, the following disclosures in relation to a special resolution, which appear on the Company's website at www.gemfieldsgroup.com:

- Major shareholders – refer to the Directors' Report of the 2018 Annual Report which appears on the Company's website at www.gemfieldsgroup.com;
- Directors' interests in securities – refer to the Directors' Report of the 2018 Annual Report which appears on the Company's website at www.gemfieldsgroup.com; and
- Share capital of the Company – refer to note 22 of the complete audited annual financial statements of the 2018 Annual Report which are set out on the Company's website at www.gemfieldsgroup.com.

Directors' Responsibility Statement

The Directors, whose names appear in the Directors' Report of the 2018 Annual Report, which appears on the Company's website at www.gemfieldsgroup.com, collectively and individually accept full responsibility for the accuracy of the information pertaining to this special resolution and certify that, to the best of their knowledge and belief, there are no facts that have been omitted which would make any statements false or misleading, and that all reasonable enquiries to ascertain such facts have been made and that this special resolution contains all information required by law and the JSE Listings Requirements.

Material changes

Other than the facts and developments reported on in terms hereof, there have been no material changes in the financial or trading position of the Company and its subsidiaries since the date of signature of the Audit Report and up to the date of the notice of AGM.

NOTICE OF ANNUAL GENERAL MEETING CONTINUED

Statement of the Board's Intention

The Directors consider that such a general authority in relation to the ordinary shares should be put in place so that, during the year, it will provide the Directors with flexibility to effect a repurchase of the Company's shares, should it be in the interests of the Company to do so whilst the general authority is in power.

The Directors are of the opinion that it would be in the best interests of the Company to extend such general authority and thereby allow the Company or any of its subsidiaries to be in a position to acquire the shares issued by the Company through the order book of the JSE, should the market conditions, tax dispensation and price justify such an action.
