5. AUTHORITY TO ALLOT

In Articles 5 and 6:

- 5.1 "equity securities" means:
 - (a) shares in the Company, or

- (b) rights to subscribe for, or to convert securities into, shares in the Company;
- 5.2 references to the allotment of equity securities include:
 - (a) the grant of a right to subscribe for, or to convert any securities into, shares in the Company; and
 - (b) the sale of shares in the Company that immediately before the sale are held by the Company as treasury shares.
- 5.3 Subject to the JSE listing requirements and the AIM Rules, the Directors shall not exercise any power of the Company to allot equity securities for cash, unless they are, in accordance with this Article 5, authorised to do so by the passing of a Special Resolution, save that the authority to allot equity securities for non-cash consideration shall only require the passing of an Ordinary Resolution.
- 5.4 Authority under this Article 5 may be given for a particular exercise of the power or for its exercise generally, and may be unconditional or subject to conditions.
- 5.5 The authority must state the maximum amount of equity securities that may be allotted under it and the date on which it will expire, which must be not more than the earlier of: (a) the Company's next annual general meeting, or (b) 15 months from the date of the previous annual general meeting of the Company; but such an authority may be revoked or varied by the Company in general meeting.
- 5.6 The authority may be renewed or further renewed by the Company in general meeting for a further period not exceeding the earlier of: (a) the Company's next annual general meeting, or (b) 15 months from the date of the previous annual general meeting of the Company; but the resolution must state (or restate) the amount of equity securities which may be allotted under the authority or, as the case may be, the amount remaining to be allotted under it, and must specify the date on which the renewed authority will expire.
- 5.7 In relation to authority under this Article for the grant of such rights as are mentioned in Article 5.1(b), the reference in Article 5.5 (and also the corresponding reference in Article 5.6) to the maximum amount of equity securities that may be allotted under the authority is to the maximum amount of shares which may be allotted pursuant to the rights.
- 5.8 Subject to the JSE listing requirements and the AIM Rules, the Directors may allot equity securities, notwithstanding that authority under this Article has expired, if they are allotted in pursuance of an offer or agreement made by the Company before the authority expired and the authority allowed it to make an offer or agreement which would or might require equity securities to be allotted after the authority expired.
- 5.9 Nothing in this Article 5 affects the validity of any allotment.

6. PRE-EMPTION RIGHTS

- 6.1 Subject to the JSE listing requirements, the AIM Rules and the provisions of this Article 6, the Company shall not allot equity securities to a person on any terms unless:
 - (a) it has made an offer to each person who holds shares to allot to him on the same or more favourable terms a proportion of those securities which is as nearly as practicable equal to the proportion in nominal value held by him of the aggregate of his shares; and
 - (b) the period during which any such offer may be accepted has expired or the Company has received notice of the acceptance or refusal of every offer so made.
- 6.2 Securities that the Company has offered to allot to a holder of shares may be allotted to him, or anyone in whose favour he has renounced his right to their allotment, without contravening Article 6.1(b).

- 6.3 Article 6 does not apply to a particular allotment of equity securities if these are, or are to be, wholly or partly paid up otherwise than in cash; and securities which the Company has offered to allot to a holder of shares may be allotted to him, or anyone in whose favour he has renounced his right to their allotment, without contravening Article 6.1(b).
- 6.4 Article 6.1 does not apply to the allotment of securities which would, apart from a renunciation or assignment of the right to their allotment, be held under an employees' share scheme.
- 6.5 Shares held by the Company as treasury shares shall be disregarded for the purposes of Article 6.1, so that the Company is not treated as a person who holds shares; and the treasury shares are not treated as forming part of the share capital of the Company.
- 6.6 Where shares are held by two or more persons jointly, the offer may be made to the joint holder first named in the register of members in respect of the shares.
- 6.7 Any offer required to be made by the Company pursuant to Article 6.1 should be made by a notice and such offer must state a period during which such offer may be accepted and such offer shall not be withdrawn before the end of that period. Such period must be a period of at least 21 days beginning on the date on which such offer is deemed to be delivered or received.
- 6.8 The Company may by Special Resolution resolve that Article 6.1 shall be excluded or that such Article shall apply with such modifications as may be specified in the resolution:
- (a) generally in relation to the allotment by the Company of equity securities;
 - (b) in relation to allotments of a particular description; or
 - (c) in relation to a specified allotment of equity securities;
- and any such resolution must:
- (d) state the maximum number of equity securities in respect of which Article 6 is excluded or modified; and
 - (e) specify the date on which such exclusion or modifications will expire, which must be not more than the earlier of: (a) the Company's next annual general meeting, or (b) 15 months from the date of the previous annual general meeting of the Company,
- save that an Ordinary Resolution only is required to exclude Article 6.1 in respect of the allotment of equity securities for non-cash consideration.
- 6.9 Any resolution passed pursuant to Article 6.8 may:
- (a) be renewed or further renewed by resolution for a further period not exceeding the earlier of: (a) the Company's next annual general meeting, or (b) 15 months from the date of the previous annual general meeting of the Company; and
 - (b) be revoked or varied at any time by resolution.
- 6.10 Subject to the JSE listing requirements and the AIM Rules and notwithstanding that any such resolution referred to in Article 6.8 or 6.9 has expired, the Directors may allot equity securities in pursuance of an offer or agreement previously made by the Company if the resolution enabled the Company to make an offer or agreement that would or might require equity securities to be allotted after it expired.
- 6.11 In this Article 6, in relation to an offer to allot securities a reference (however expressed) to the holder of shares of any description is to whoever was the holder of shares of that

description at the close of business on a date to be specified in the offer and the specified date must fall within the period of 28 days immediately before the date of the offer.

- 6.12 A resolution under Article 6.8 or a resolution to renew such a resolution, shall not be proposed unless it is recommended by the Directors and there has been circulated, with the notice of the meeting at which the resolution is proposed, to the members entitled to have that notice a written statement by the Directors setting out:

- (a) their reasons for making the recommendation;
- (b) the amount to be paid to the Company in respect of the equity securities to be allotted; and
- (c) the Directors' justification of that amount.

7. NON-CASH CONSIDERATION

- 7.1 Subject to the JSE listing requirements and the AIM Rules, the Company may allot shares as fully or partly paid up otherwise than in cash where it has complied with the following:

- (a) the consideration for the allotment has been independently valued under Articles 7.8 to 7.9;
- (b) a report with respect to its value has been made to the Company by a person appointed by the Company (in accordance with Articles 7.8 to 7.9) during the 6 months immediately preceding the allotment of the shares;
- (c) a copy of the report has been sent to the proposed allottee; and
- (d) section 296 of the Law.

- 7.2 Where an amount standing to the credit of any of the Company's reserve accounts, or of its profit and loss account is applied in paying up (to any extent) any shares allotted to members of the Company or any premiums on shares so allotted, the amount applied does not count as consideration for the allotment, and accordingly Article 7.1 does not apply in that case.

- 7.3 Article 7.1 does not apply to the allotment of shares by the Company in connection with an arrangement (including any court-sanctioned scheme of arrangement or reconstruction) providing for the allotment of shares on terms that the whole or part of the consideration for the shares allotted is to be provided by the transfer to the Company (or the cancellation) of all or some of the shares, or of all or some of the shares of a particular class, in another company (with or without the issue to the Company of shares, or of shares of any particular class, in that other company).

- 7.4 Article 7.3 does not exclude the application of Article 7.1 unless under the arrangement it is open to all the holders of the shares in the other company in question (or, where the arrangement applies only to shares of a particular class, to all the holders of shares in that other company, being holders of shares of that class) to take part in the arrangement.

- 7.5 In determining whether that is the case, shares held by the Company or by a nominee of the Company or by a nominee of the Company which is the Company's holding company or subsidiary or a company which is a subsidiary of its holding company, shall be disregarded.

- 7.6 Article 7.1 also does not apply to the allotment of shares by the Company in connection with its proposed merger with another company; that is, where one of the companies proposes to acquire all the assets and liabilities of the other in exchange for the issue of shares or other securities of that one to shareholders of the other, with or without any cash payment to shareholders.

- 7.7 If the Company allots shares in contravention of Article 7.1 and either—

- (a) the allottee has not received the valuer's report required by that Article to be sent to him; or
- (b) there has been some other contravention of this Article 7.7 or Articles 7.8 and 7.9 which the allottee knew or ought to have known amounted to a contravention,

the allottee is liable to pay the Company an amount equal to the aggregate of the nominal value of the shares and the whole of any premium (or, if the case so requires, so much of that aggregate as is treated as paid up by the consideration), with interest at the appropriate rate.

7.8 The valuation and report required by Article 7.1 shall be made by an independent person, that is to say a person qualified at the time of the report to be appointed, or continue to be, an auditor of the Company.

7.9 However, where it appears to the independent person (from here on referred to as "the valuer") to be reasonable for the valuation of the consideration, or part of it, to be made (or for him to accept such a valuation) by another person who —

- (a) appears to him to have the requisite knowledge and experience to value the consideration or that part of it; and
- (b) is not an officer or servant of the Company or any other body corporate which is that company's subsidiary or holding company or a subsidiary of that company's holding company or a partner or employee of such an officer or servant,

he may arrange for or accept such a valuation, together with a report which will enable him to make his own report under this section and provide the note required by Article 7.9(f) below.

- (c) The reference in Article 7.9(b) to an officer or servant does not include an auditor.
- (d) The valuer's report shall state —
 - (i) the nominal value of the shares to be wholly or partly paid for by the consideration in question;
 - (ii) the amount of any premium payable on the shares;
 - (iii) the description of the consideration and, as respects so much of the consideration as he himself has valued, a description of that part of the consideration, the method used to value it and the date of the valuation; and
 - (iv) the extent to which the nominal value of the shares and any premium are to be treated as paid up —
 - (1) by the consideration; and
 - (2) in cash.
- (e) Where the consideration or part of it is valued by a person other than the valuer himself, the latter's report shall state that fact and shall also —
 - (i) state the former's name and what knowledge and experience he has to carry out the valuation, and
 - (ii) describe so much of the consideration as was valued by the other person, and the method used to value it, and specify the date of the valuation.

- (f) The valuer's report shall contain or be accompanied by a note by him —
 - (i) in the case of a valuation made by a person other than himself, that it appeared to himself reasonable to arrange for it to be so made or to accept a valuation so made;
 - (ii) whoever made the valuation, that the method of valuation was reasonable in all the circumstances;
 - (iii) that it appears to the valuer that there has been no material change in the value of the consideration in question since the valuation; and
 - (iv) that on the basis of the valuation the value of the consideration, together with any cash by which the nominal value of the shares or any premium payable on them is to be paid up, is not less than so much of the aggregate of the nominal value and the whole of any such premium as is treated as paid up by the consideration and any such cash.
- (g) Where the consideration to be valued is accepted partly in payment up of the nominal value of the shares and any premium and partly for some other consideration given by the Company, Articles 7.1 to 7.9 apply as if references to the consideration accepted by the Company included the proportion of that consideration which is properly attributable to the payment up of that value and any premium; and —
 - (i) the valuer shall carry out or arrange for, such other valuations as will enable him to determine that proportion; and
 - (ii) his report shall state what valuations have been made under this subsection and also the reason for, and method and date of, any such valuation and any other matters which may be relevant to that determination.

7.10 A person carrying out a valuation or making a report under this Article 7, with respect to any consideration proposed to be accepted or given by the Company, is entitled to require from the officers of the Company such information and explanation as he thinks necessary to enable him to carry out the valuation or make the report and provide a note under Article 7.9(f).

8. DISCLOSURE OF INTERESTS

8.1 For as long as the Company has any of its share capital admitted to trading on AIM, or any successor market or any other market operated by the London Stock Exchange, any Investor shall comply with the notification and disclosure requirements set out in Chapter 5 of the Disclosure Guidance and Transparency Rules ("**DTR**") Sourcebook (as amended and varied from time to time) of the FCA Handbook as if the Company were classified as an "issuer" whose "Home State" is the "United Kingdom" (as such terms are defined in the FCA Handbook). An Investor shall notify the Company of the percentage of the aggregate voting rights he holds as Investor or through his direct or indirect holding of any financial instruments (within the meaning of the DTR) if the percentage of those aggregate voting rights reaches, exceeds or falls below the thresholds of 3%, 4%, 5%, 6%, 7%, 8%, 9%, and 10% and each 1% threshold thereafter up to 100% as a result of an acquisition or disposal of shares or financial instruments of and relating to the Company.

8.2 In addition the Directors have the power to give notice in writing to a person, whom they know or have reasonable cause to believe to be interested in 3% or more of the Company's issued share capital of any class, carrying rights to vote in all circumstances at general meetings of the Company other than where the voting rights attaching to such shares are suspended, requiring such person to confirm or deny such interest and to give any further information as may be requested. Such information must be provided within such reasonable time as the Directors may determine. Any such notice shall require any information in response to such notice to be given in writing within the Prescribed Period.

- 8.3 If any Investor has been duly served with a notice given by the Directors in accordance with Article 8.2 and is in default for more than 14 days after the Prescribed Period in supplying to the Company the information thereby required, or in purported compliance with such notice has made a statement which is false or inadequate on a material particular (in either case, the "default"), then the Directors may in their absolute discretion at any time thereafter serve a notice (a "direction notice") upon such Investor.
- 8.4 A direction notice shall direct that in respect of any shares in relation to which the default occurred (all or the relevant number as appropriate of such shares being the "default shares"), the Investor shall not be entitled to attend or vote (either personally or by proxy) at a general meeting or meeting of the holders of any class of shares of the Company or to exercise any other right conferred by membership in relation to meetings of the Company or of the holders of any class of shares of the Company.
- 8.5 Where the default shares represent at least 0.25% of the class of shares concerned, the direction notice shall additionally direct that in respect of the default shares:
- (a) any dividend or part thereof or other monies which would otherwise be payable on or in respect of such shares shall be retained by the Company without any liability to pay interest thereon when such money is finally paid to the Investor and the relevant Investor shall not be entitled to receive shares in lieu of dividend;
 - (b) no transfer other than an approved transfer (as set out in Article 8.10(b)) of the default shares held by such Investor shall be registered.
- 8.6 The Company shall send to each other person appearing to be interested in the shares the subject of any direction notice a copy of the notice, but failure or omission by the Company to do so shall not invalidate such notice.
- 8.7 If shares are issued to an Investor as a result of that Investor holding default shares in respect of which the Investor is for the time being subject to particular restrictions, the new shares shall on issue become subject to the same restrictions as such default shares.
- 8.8 Any direction notice shall have effect in accordance with its terms for as long as the default, in respect of which the direction notice was issued, continues but shall cease to have effect in relation to any shares which are transferred by such Investor by means of an approved transfer as set out in Article 8.10(b)(ii). As soon as practicable after the direction notice has ceased to have effect (and in any event within seven days thereafter) the Directors shall procure that the restrictions imposed by Articles 8.5 and 8.7 above shall be removed and that dividends withheld pursuant to Article 8.5(a) above are paid to the relevant Investor.
- 8.9 For the purpose of enforcing the restrictions referred to in Article 8.5(b) and to the extent permissible under the CREST Guernsey Requirements, the Directors may give notice to the relevant Investor requiring the Investor to change any default shares held in Uncertificated form to Certificated form by the time stated in the notice. The notice may also state that the Investor may not change any of the default shares held in Certificated form to Uncertificated form. If the Investor does not comply with the notice, the Directors may authorise any person to instruct the operator of the relevant Uncertificated System to change the default shares held in Uncertificated form to Certificated form.
- 8.10 For the purpose of Articles 8.1 to 8.12:
